Rudyard Lake Sailing Club is run by the members for the benefit of the members. It is therefore vital that all members contribute in some way to the efficient running of the club to ease the burden on the main committee members. In addition to carrying out a number of race duties each year you are asked to indicate in what area(s) you might be able to assist in the running of the club. You may be called upon only occasionally but you may prefer to become more involved by sitting on one of the committees or taking on one of the club officer roles.

**Please indicate where you can help to run your club:-**
